Whether it's a splash of scent or a spritz of sanitizer — this compact yet powerful performer has you covered in style.

SUSTAINABILITY

ALL PLASTIC PUMPS

100% recyclable, eco-friendly dispensing for a sustainable future!

Our **fully recyclable lotion pump** comes with a no-metal spring design, delivering a smooth 2cc output every time! Available in 28/410 closure size and fully customizable colors, it's perfect for body lotions, shampoos, shower gels, and conditioners.

Sustainable, functional, and beautiful—packaging that cares for your products and the planet!

SUSTAINABILITY

PCR LOTION PUMPS & TRIGGER SPRAYERS

Our **eco-friendly range of PCR Trigger Sprayers and Lotion Pumps**, designed for performance and sustainability!

- Trigger Sprayer (0.70cc): Perfect for surface cleaners, glass cleaners, and homecare essentials.
- Lotion Pumps (1.65cc, 2cc, 3cc & 4cc): Ideal for lotions, shampoos, conditioners, and creams of all viscosities.

Both are made with ~30% PCR from our in-house unit, supporting a circular economy while reducing your carbon footprint. Let's create cleaner homes and greener beauty, together!

METAL FREE PATH PUMP

Sustainable dispensing, designed for a greener tomorrow!

Say hello to innovation! Our 2cc lotion pump is designed with a metal-free path for pure, worry-free dispensing. Available in 28/410 closures and fully customizable colors, it's the perfect match for body lotions, shampoos, shower gels, and hair conditioners.

Clean, stylish, and ready to make your products stand out — let's create something amazing together!
